The HORNET

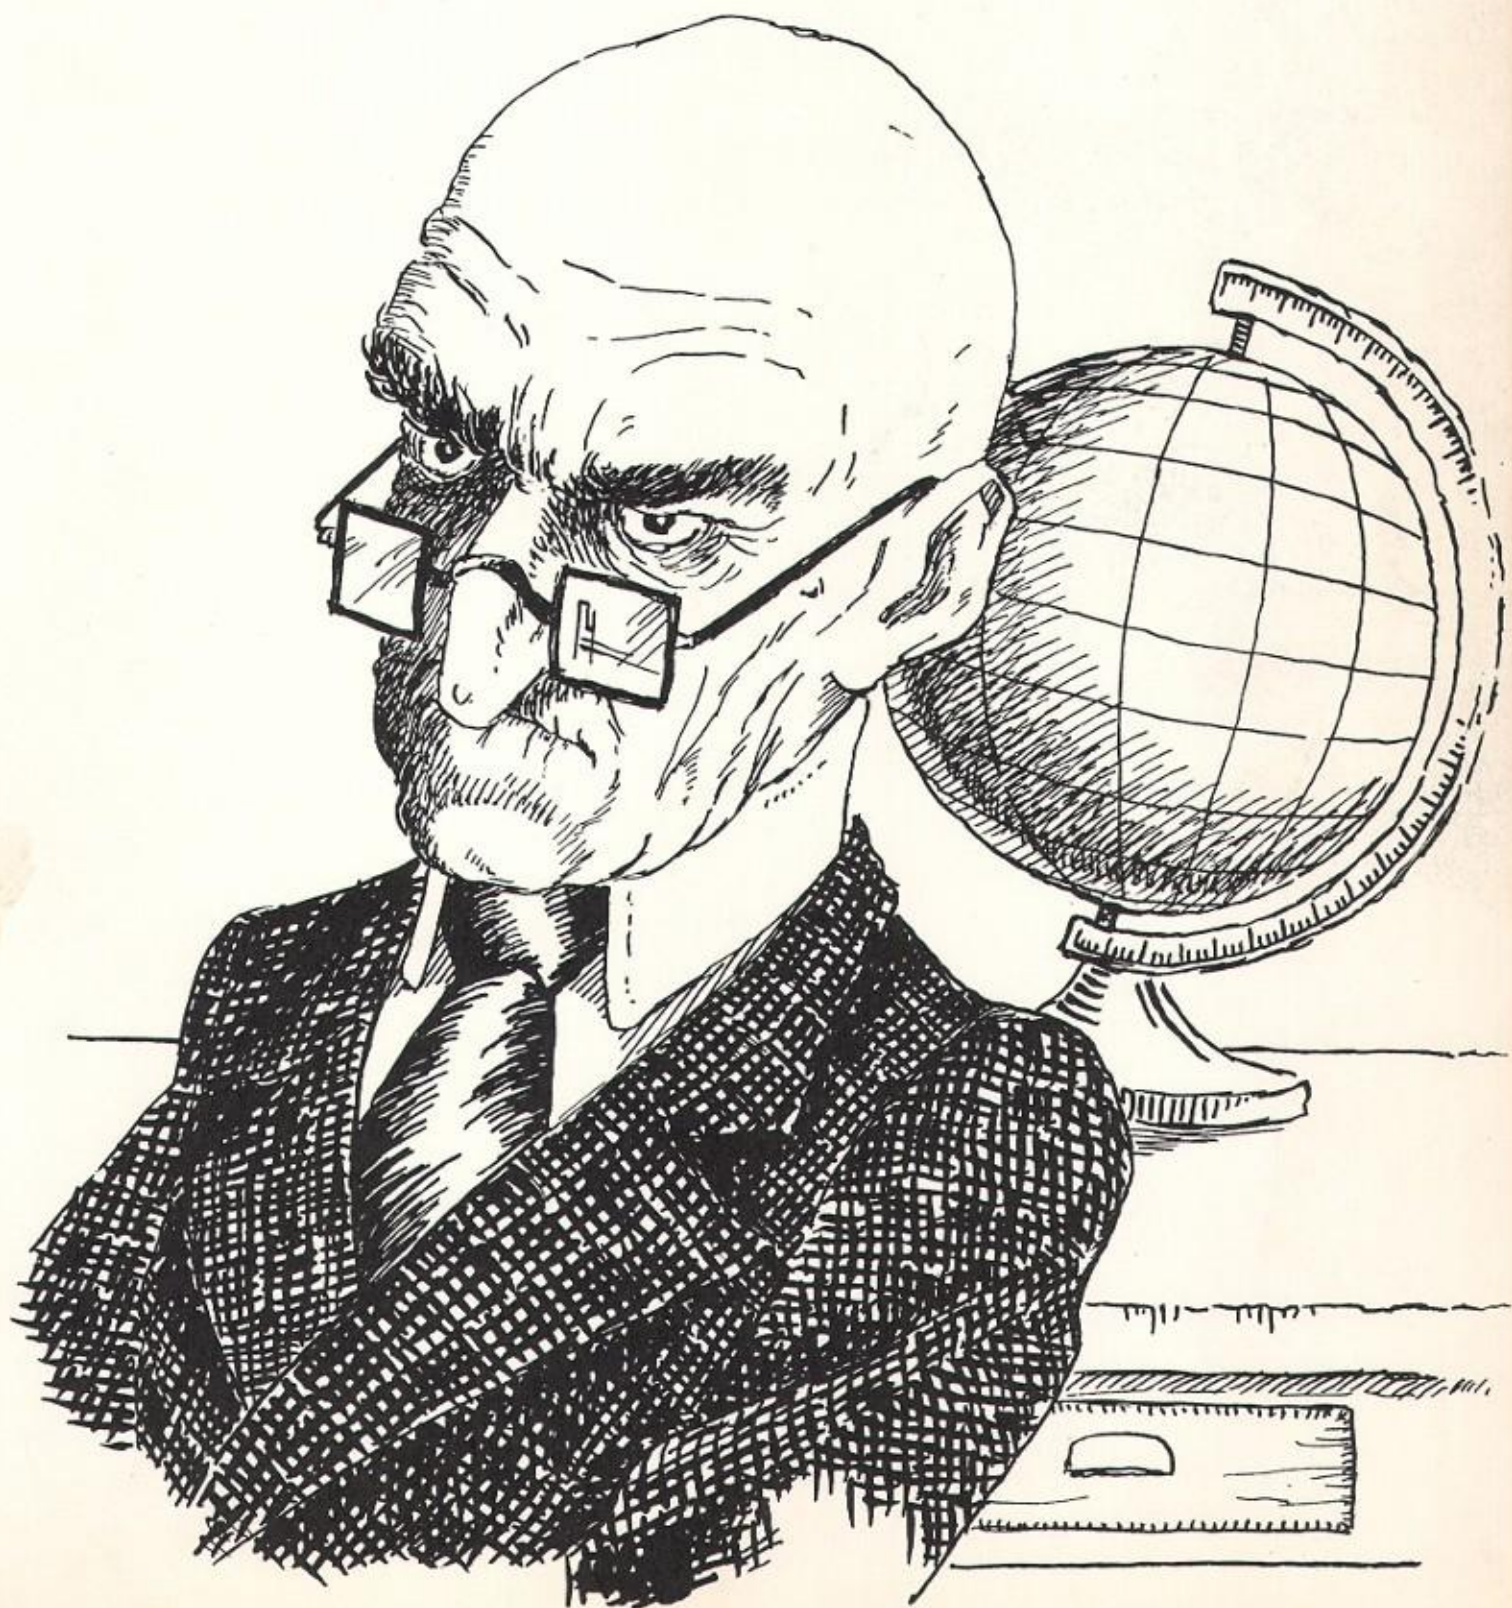

In Memoriam

With heartfelt love and appreciation we dedicate our
1957 HORNET to the beloved friend, excellent student
and our classmate, ROGER STEPHENS.

ADMINISTRATION

On behalf of the board of education, faculty and student body, let me express sincere appreciation to the staff for this splendid edition of the HORNET. This 1957 issue, in recording the activities of the Moline Schools, is representative of the fine quality of work that exists throughout our entire school system. Such a production provides valuable experience to those on the staff and always great pleasure to the student body and community.

To the graduating class, the underclasses, and the teachers of Moline High School - I wish to thank you for the many nice things done for me during my period of inactivity in 1957. I am sure the assistance and pep talks (cards and letters) influenced a speedy recovery for me. The feeling of having friends as well as worthwhile students is a feeling of belonging. I wish also, to thank the students and Pep Club for their loyal devotion to the football and basketball squads who were not fortunate enough to be called winners. I wish to thank the boys for their effort and their ability to keep fighting even in defeat. We sometimes learn more and receive more from defeat than victory. If a team plays to win fairly, and plays its very best, nothing more can be asked of it. May all students of 1957 gain in mental, social, emotional and physical health.
